- ### Know the Code – Respect the mountain and have fun!
- (failure to comply could result in loss of privileges)*
1. Always ride in control and be able to stop or avoid other people or objects.
 2. Observe all posted signs and warnings.
 3. Keep off closed trails and out of closed areas; stay on marked trails and do not cut switchbacks – this helps prevent erosion.
 4. Do not stop where you obstruct a trail or can not be seen by other users.
 5. Whenever starting downhill or merging onto a trail, look uphill and yield to others.
 6. Downhill traffic must yield to uphill traffic and riders must always yield to hikers.
 7. Be prepared for weather changes; thunderstorms and drastic temperature swings happen quickly in the mountains.
 8. Wildlife is just that. Wild! Please do not harass or approach animals you encounter. Please do not pick wildflowers.
 9. Helmets are required, and for safety reasons, no child trailers or seats are allowed.
 10. You should have sufficient physical dexterity, ability and knowledge to safely load, ride and unload chairlifts as well as to ride the terrain and features.
 11. Identify yourself to Solitude Mountain Patrol if you are involved in or are a witness to an accident.
 12. Solitude Mountain Resort is located in the Salt Lake City Protected Watershed. Dogs and pets are not allowed in Big Cottonwood Canyon, in the lodges, or kept in vehicles during your visit except by special permit. For more information, please visit keepitpure.com.
